

The Philips Learning Center is offering a 'Buy 1, Get 1 Free' course special during the month of June

The Philips Learning Center is offering a 'Buy 1, Get 1 Free' course special during the month of June. Choose from a list of courses from Tom Giordano's 'Plain and Simple' series – purchase one and get another for free. Log into the Learning Center and follow the below simple instructions.

** Please note: you will not be able to get a course again if you already have credit for the course.*

Purchase one of these courses:

- X-ray Plain and Simple (1.5 CE)
- CR and DR Plain and Simple (2 CE)
- PACS Plain and Simple (1.5 CE)
- Medical Image Processing Plain and Simple (1 CE)

And get one of the below courses for free:

- Planning for PACS Plain and Simple (2.0 CE)
- Marketing Fundamentals, Plain and Simple (1.5 CE)
- Healthcare Trends Webinar Plain and Simple (1 CE)
- Understanding DICOM Plain and Simple (1 CE)

To access our online special:

- Log on or register with the Philips Learning Center at www.theonlinelearningcenter.com
- Once registered and logged in, using the left navigation menu, click 'My Account' and then 'My Discount Code'
- Enter discount code **100254180**
- Select 'Choose modules for discount'
- Choose the course(s) you want to buy and choose the course(s) you want for free and submit.
- Be sure to choose all of the courses you want before going to check out as you can use the code only once.
- When finished choosing your course(s), simply click on 'Go to Checkout'.
- When the purchase process is completed, your courses will be located in 'My Learning Activities'.

If you have questions or need help, please call our Help Desk at 1-800-692-4295 (M-F, 24-hours) or email or use our Live Chat function via the [Learning Center Help Desk](#).
