

In celebration of American Heart month, the Philips Learning Center is offering **two free online courses worth 2.5 Category A CEUs** for the entire month of February. Pick the course that most interest you or get both of them. This offer is valid February 1 - 28, 2010. The 100% discount will be applied at checkout, using the promotional code provided. The discount code can only be used for one transaction so be sure to put both courses in your shopping cart before you checkout.

* Please note: you will not be able to get the course if you already have credit for that course.

Use Discount code = 120252186 for the following two courses:

- Foundational Human Anatomy and Physiology on the Cardiac System (2.0 CE)
- The History of Cardiac Catheterization, Past & Present (0.5 CE)

Follow these steps to register and get your courses today!

1. Go to www.theonlinelearningcenter.com, February 1-28, 2010.
2. Register if you are new to the Learning Center or log in with your email and password.
3. Go to "My Account" and select "My Discount Code".
4. Enter discount code **120252186 (100%)** and submit.
5. Click the title of the course that you want to study and view the description. If interested in the course, select 'Add to Cart' (*Please note: the discount will be applied at checkout*).
6. To select another course, select "My Discount Code" and select the course you want and click 'Add to Cart'.
7. When finished, click 'Go to checkout'. The total will be shown with the discount and how much you have saved by using the code. Please note that the discount code is a one-time use only, so it is best to get all courses that you want as one transaction.
8. Please note that the discount code is a one-time only, so it is best to get all courses that you want as one transaction.
9. The code will not apply to the media, shipping and handling of CDs.
10. Click on 'My Learning Activities' to study your course, take the test, and obtain your CE certificate. You have up to 6 months to obtain your CE certificate for each course.
