

The Philips Learning Center is offering four free courses worth 6.25 contact hours in honor of Nurse's Week!

In honor of Nurse's Week, the Philips Learning Center is pleased to offer the below four free online courses worth 6.25 contact hours. Select the course that most interests you or choose all of them. This offer is valid through July 31, 2010.

* Please note: you will not be able to get the course if you already have credit for that course.

Free Courses:

- Reducing Falls in the Home: Medication Interventions and The Role of the Aging (1.0 CE)
- Capnography Monitoring During Procedural Sedation by Oridion Medical (1.5 CE)
- Fall-Related Brain Injury in Older Adults: Focus on Prevention (1.75 CE)
- Improving Outcomes in Oral Anticoagulation Therapy Management (2.0 CE)

Follow these steps to register and get your courses today!

- Go to www.theonlinelearningcenter.com between May 1 – July 31, 2010
- Register for free if you are new to the Learning Center or login in with your email and password
- Go to "Course Category", select category "Nursing - Accredited Courses", and subcategory "Free CE"
- Click the title of the course that you want to study.
- Read the description and if it is of interest, scroll to where it shows the sponsor and/or accreditation.
- Choose the nursing accreditation required for your situation by clicking on the 'Get it Now' button.
- Note: There may be more than one accreditation, please choose carefully.
- Return to the catalog and choose more courses if desired.
- For up to 6 months, click on 'My Learning Activities' to study your course, take the test, and obtain
- your continuing education certificate.
- If you have questions or need help, please call our Help Desk at 1-800-692-4295.
