

# Continuing education accounts

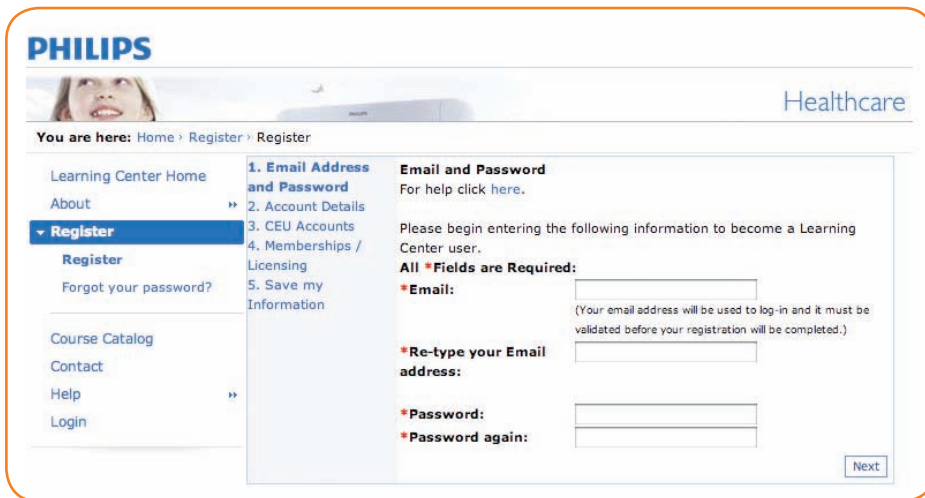

## Philips Learning Center—anytime, anywhere

The Philips Learning Center offers flexible, continuing education (CE), designed around you and the changing needs of your department or facility. Hundreds of CE-approved learning activities provide the variety, quality, and depth of learning that you need, regardless of clinical focus or departmental role. Courses are available for nurses, radiologic technologists, sonographers, and other healthcare professionals—with 95% participant satisfaction.

You can access the Learning Center activities from your facility, your home, or anywhere at anytime. If you have an active Philips service agreement or any other type of

education agreement, your facility may be entitled to continuing education units (CEUs) from the Learning Center. It's easy to begin today.

# PHILIPS

### Learning activities are available for:

- General and applied anatomy and physiology
- Healthcare and disease-specific topics
- Patient-focused case studies
- General and critical care nursing
- Departmental and management topics
- Healthcare information technologies
- Cardiovascular and electrophysiology studies
- Imaging principles and applications:
  - Magnetic resonance
  - Computed tomography
  - Nuclear medicine
  - Ultrasound
  - General and interventional X-ray
- Medical dosimetry
- Registry review programs for MR and CT
- Live webinars on contemporary topics

For questions about CEU accounts or help with access, please contact us at: [olcadmin@philips.com](mailto:olcadmin@philips.com) or 800-692-4295.

### CE Account entitlement

With an active Philips service agreement or education agreement, your facility may be entitled to continuing education units (CEUs) from the Learning Center. It's easy to take advantage of your CE account entitlement with a Philips equipment site ID or CEU account code. If you do not know the code(s), you are not sure of your entitlement, or have other questions, contact us at [olcadmin@philips.com](mailto:olcadmin@philips.com) or 800-692-4295.

### CE Account access

Getting started is easy. Visit the Learning Center at [www.theonlinelearningcenter.com](http://www.theonlinelearningcenter.com) and register with an email address and password. If you know your CEU account code, please enter it at step 3 of the registration process shown above. After entering all required information, you will immediately receive a confirmation email with a link to complete the registration process. Once logged in to the Learning Center, choose

learning activities from the Course Catalog by major categories or search by titles, key words, author, new publications, or by CE-approval mechanism. You will also have the option of purchasing most learning activities on a CD or DVD for permanent viewing, for a nominal shipping charge. If a CD or DVD is ordered, the assessment test is still taken online.

### CE Account benefits—Participants

- Choose from hundreds of CE-approved learning activities
- Receive multiple certificates for courses approved for multiple certifications
- Receive monthly notices about account status
- Track purchased and completed courses
- Take assessment tests up to three times (depending on the rules of the CE approver)
- Access earned certificates with your personal, detailed CE report
- Receive notices 30 days and seven days prior to the learning activity's expiration
- Retrieve your certificates online for five years
- Review content and completed tests for two years

### CE Program benefits—Managers

- View CEU program usage
- Manage the CE program for your department or facility
- Track team progress
- Print learner reports
- Receive monthly account notifications, including when CEUs are about to expire
